

The Purpose of a son is to defeat his fathers enemies. The purpose of a son of man, is to defeat the enemies of man. Israel and Christ are purposed with defeating the enemies of God/Love/Ahavah. Since Christ was Love manifest as a man, he is the son of man, and he defeated the enemies of man by existing. I am a son of man, and my purpose is to defeat the enemies of man. I do not approve of human sin, and the following is to be taught by the Pope, or I vow to tie up and flog with 1000 lashes the enemies of this ministry being in the mouth of the Pope along with Richard Mullins in Jerusalem.

MINISTRY: "The Lord Love the Father wants the children on Earth to know that He is real, is Love, and desires them to be perfect. The Lord Love the Son wants children to preach repentance of imperfections/sins, and forgiveness given to those that repent. The son of man is Lord even of the sabbath and his will is to tell all children to grow towards perfection, enjoy every moment of perfection obtained and allow the zeal and enthusiasm for Love to consume all flesh and cause us to be perfect."

I do not like being in debt favors, so consider this counsel from a 34 year old blessed and consecrated Son of man repayment of a favor, or otherwise, tell me what you want me to do to repay the favor of communicating with me via email from PopeFrancis61@yahoo.com

I do not like asking for favors, and if I ask you to do something that isn't the will of Love the Lord the Father, do not do that thing, instead, rebuke my sin and correct me. I am in peril. The Lord put a spirit of understanding, counsel, wisdom, might, strength, fear and knowledge upon my flesh on camera and that spirit is reasonably believed to be Elijah the Tishbite. Who has considered a 34 year old man giving proper instruction and counsel to the Most High? I have, I know I just did, and if you opposed me, I will not seat you to my right. Only servants have the honor of being seated to my right!
