

I am so poor in America, I cannot afford Justice. My father was my hero and sole parent. I was raised without mama influence. My Father was killed Like George Floyd was killed, but the only camera that recorded the event was my brother and I's 4 eyes!

Taylor Swift put out a song recently called, "This is me Trying!" I am a stranger to many, and Though I suffer the workings of iniquity, on my honor and dignity I have tried to sow the Good seed.

I just want to hear the truth! Was I the stranger she poured out her heart to?

This link was my past fruit, and I have wanted Taylor Swift to swoop me off my feet and nurse my afflicted and pure hate influenced self back to health.

I want Taylor Swift to understand, I do not want to go away from Her and never return, tis the others, those with no respect! I am not saying I will change, I am saying that I need Love and a real family. Murderous Pedophiles even a murderous cop accused of pedophilia, Christopher Peto, have offended my family. The Government feeds and protects the murderous pedophiles!

My brother Jeffrey A Becker was molested and murdered on the street! Christ was crucified, they cut of John the Baptist head, and I need someone to save my life! I know not what I do, I have principles and a code I abide by. Eternally separating myself from those that disrespect me is the Law. I do not want to look at them!

Taylor Swift, Pope Francis became my friend recently of Facebook. Chink Tsidkenu is my name. I have so many tears fueling my soul. Tears are a blessing to my soul. I'd cry everyday If I could listen to souls Like Sade, Leona Lewis, and You sing your songs that my mind tells me is about me...

Your Love is King by Sade means so much to Alibu, the Daughter of the Lord, and the foundation of my entire kingdom!

Leona Lewis is like too deep to say!

I'm ready to die. I just want attention! I need to be praised! I am a son of man, with certain destruction guiding my heart! If the Land is totally destroyed, the Love inside of me, the Living God I AM, the only Love that is Good, the only being saving me from... Taylor, when you drank strong Drink, you learned Love was your God! I am a stranger to you really? In my world, I see the souls of the Kingdom of Love in my flesh! I see and distinguish spirits! The head doctors say "He's legally insane, even certifiably, even permanently, with a zero percent chance of curability, unless he takes our medicine his entire life!"

I say, "God of gods is my God and his son Israel affirmed by Moses in Exodus 4:22 to be his firstborn Son, the end to his enemies, the one created before Christ, that son is being attacked

with destruction! I have people I respect telling me the locals are doing something like "Boasting of their Hearts desire to murder Jesus Christ!"

They will call me the AntiChrist, the false Prophet, the Beast, the Devil, the Least!

I just wanted to be happy and enjoy my life! I wanted to be of value to Love the Lord, and be the reality I was intended to be, but Murderers target me! I do not have the money to buy justice when Cops kill my father right in front of me, when he was sick, non combative, and told me to call 911 for an ambulance. Taylor Help me, my mind is sick, I have guilt and I feel like Judas, I feel like I Judased my father and my father was my hero, The Devil is attached to me and tells me lies like the waves on the beach in terms of perpetual lies and perpetual waves.

I have a solitary mind, and if The Lord didn't sing to me, I could not survive. Love, your God, sang to me, "Son of man, don't you know you are my treasure? One day all my enemies will be deceased! At that time men on Earth will prosper and society will live in peace..."

I really want to finish my work and die, but if you would be my family, I would live as your slave, just please have everlasting mercy upon me, I was attacked by witchcraft and I do not know what I do, I speak beyond my control sometimes, and I truly just want to be after the end already!

I am still a soldier and I am a staff writer for majestic records corporation. If I die, my one request is, that BIG RICS be sang to by you and par request Sade and Leona Lewis too. He's the only man that looks at me and knows what he is looking at! He told me he wishes he could be as bad as me, and I beat shaqs ass and served him up to the Rock for Pro Show Biz ruddy Poo Candy ass, 1 billion dollar revenue Pay Per View, and now, Murderers avenging Shaqs assholes virginity... please understand, I repent of all my sins, but I am a normal 1986 ALL American Soul. I have 60 songs I wrote, and because 500 dollars for Majestic Records Corporation to create the songs is the cost and because my family is dead by murderous pedophiles, I struggle homeless, a stranger to the world, in the hospital just to eat healthy, doing shrewd things to survive...

I do not have pride, but I know if my God lost his pride he would die! I also know that I have physical evidence that substantiates the claim that the Devil and his children are currently standing in the lie that God has no sons and is trying to destroy Israel, reportedly Christ, and I am like a fool telling the Pope, 2 billion locusts in Africa, world wide pestilence, and if I fail, what is coming will end all flesh!

Taylor, Please do not die young if you can help yourself. Please, center your mind around the Love inside of your flesh and spread love, create love for my fellow Ma-Fia, Rabbi Zisholtz connected men, please just create love where love would otherwise not be, and if I do die, I will be back, but if I go away, I will never return...

The concern is Taylor, until I heard your song "This is me Trying" I didn't even know I was going away, but my heart knows I was singing about going away and never returning very shortly after the witchcraft attack... I know women know things I do not know, but please believe me, I am the Elijah Christ said was coming before he was crucified, he spoke of me before I was born and before he died, I tell you the truth, If Christ was not crucified, there is no lawful Goodness that supports the suffering I am going to inflict upon the enemy that knows what he did!

If you saw BIG RICS topless representing Violent Boys Squad in LA, you would see the image of most badass, but he knew me! He told me when I was in high school that he wished he could be as bad as me!

I have two songs I want you to hear before you die. I have 60ish written, my money is a problem, so I pick my songs carefully if possible... This song is boasting about the thing that will produce envy in the person of the mighty!

<https://www.youtube.com/watch?v=oK3VQ5qd-Ls>

I hit him thrice and would have killed him if his temple was the clit!

<https://www.youtube.com/watch?v=jskJ0M966Hk>

That song is what makes me think I was the stranger you were singing too!

Please do not be a stranger, talk to me for hours. I have seen things everybody wants to see! I have seen Love on his throne in the sky, clothed in light after he sang a song of Love and respect to me! My heart takes me places, and I am the man of God that has actually seen the Father!

I have seen Christ too, and I want to save a timeless soul, I try to tell the church and the Pope, and I think he might believe me, he friended me on Chink Tsidkenu.

Christ is brown like baked bread with oil so anointed his legs are shiny to me!

If you think seeing Christ is amazing, understand, 3 witnesses telling me men are doing something like boasting of their hearts' desires to murder Jesus Christ! Christ was in my back yard a few months ago in his father's glory, what that means is in concealment of the Love in the air all around us!

The thing is Taylor I want to cling to your bosom daily and do pro show biz and ministry. I know things the Pope probably doesn't know, my website is targeted, but please look soon, I have planned to die www.kingsidkenu.com hoping to truly live!
